## SCC ACCREDITATION

**EWMCE** has been working on an exciting new initiative: our accreditation by the **Standards Council of**

**Canada.** This will enable us to offer the service of testing and certifying the **Performance of Non-Potable Water Reuse Systems** (CSA Standard B128.3).

EWMCE Exclusive

## THE RUGBY PRINCIPLE

Leadership in Waste Management &amp; Sustainability

### An Interview with George Thomlison

For over 25 years George Thomlison has been an innovator and lynch-pin of waste management in the Edmonton area. EWMCE took the time to speak to George about his pioneering work on the University of Alberta campus,

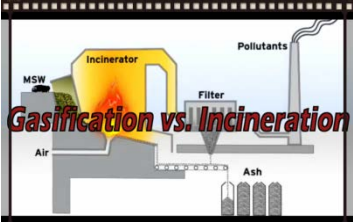

and glean some insight into the development of sustainable energy in Alberta. [Click here to read more.](#)

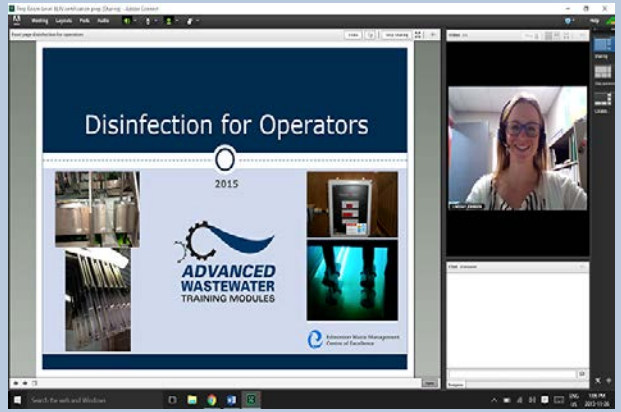

**EMPLOYMENT OPPORTUNITY**

EWMCE is looking for enthusiastic waste sorters for a Solid Waste Audit being conducted in partnership with the City of Edmonton. Must be available for part-time work (minimum 8 shifts). [FULL POSTING HERE.](#)

*Gasification vs. Incineration*  
 Courtesy of  
**The Gasification Technologies Council**

**DISINFECTION FOR OPERATORS OFFERED LIVE ONLINE**

EWMCE'S first online course offering is a hit! More courses to follow as AWTM expands into online learning. [Click here to read more!](#)
